BD Portfolio

Global initiatives

session objectives

.

1

Understanding BD global portfolio.

2

Evaluate what are the projects/initiatives that you can downscale and execute in your entity.

3

Case Study from BD global partners

Business Portfolio This is the complete collection of products or services that a business sells. The portfolio may be straightforward and consist of a single product, or it may consist of multiple, diversified product lines.

Why It is important to
have a product
portfolio?

It is important that

the product offerings and their revenue generations match and align with the long-term vision of the organization and the business strategy

Global/Regional portfolio

Product)

GEP

(Global Exchange Product)

The **Global Exchange products (GEPs)** is the definition used with external stakeholders to name the Experiential Leadership Development (ELD) product of AIESEC:

- Global Talent
- Global Teacher
- Global Volunteer
- GEPs can be taken by both Global Partners, Regional Partners and Entity Partners

GAP

(Global Amplifier
Product)

- The Global Amplifier products (GAPs) is the definition used with external stakeholders to name the Engagement with AIESEC (EwA) product of AIESEC and Business Development products not related with exchange products.
- These are products that increase the appeal, exposure, and value of AIESEC. They often include partner Brand Positioning exposure.
- GAPs can be taken by both Global Partners, Regional Partners, and Entity Partners.
- Examples of products can be Conferences, Digital Marketing Engagements, Employer Branding Campaigns, CSR.

UNLOCKING YOUR INNER LEADER FEELS THIS GOOD

INTERN WITH A GLOBAL CEO

REGISTER NOW

ai.team • Following

ai.team Becoming Adecco Group's Global CEO for One Month requires dedication, a growth mindset, and the willingness to step out of your comfort zone. **brillios** There are many reasons why you should apply, but let's just list a few:

1. You will learn!
2. In cooperation with SHL, a leader in the development of talent assessment solutions, we have designed a series of online tests that candidates will be invited to at the beginning of the selection process. You will be asked to undergo assessments evaluating your reasoning, situational judgement and personality fit for the role of CEO.
3. Upon going through the tests, you will receive a personalized report, summarizing your strengths and potential areas for improvement.

So what are you waiting for? Apply now! 📄
